■ included in delivery.

This device requires instruction.

Powerful and fast

- Two high-speed rotating roller brushes with high contact pressure.
- Two suction lip strips soak up the water - either forwards or backwards.
- The floor is immediately dry.

Low ground clearance

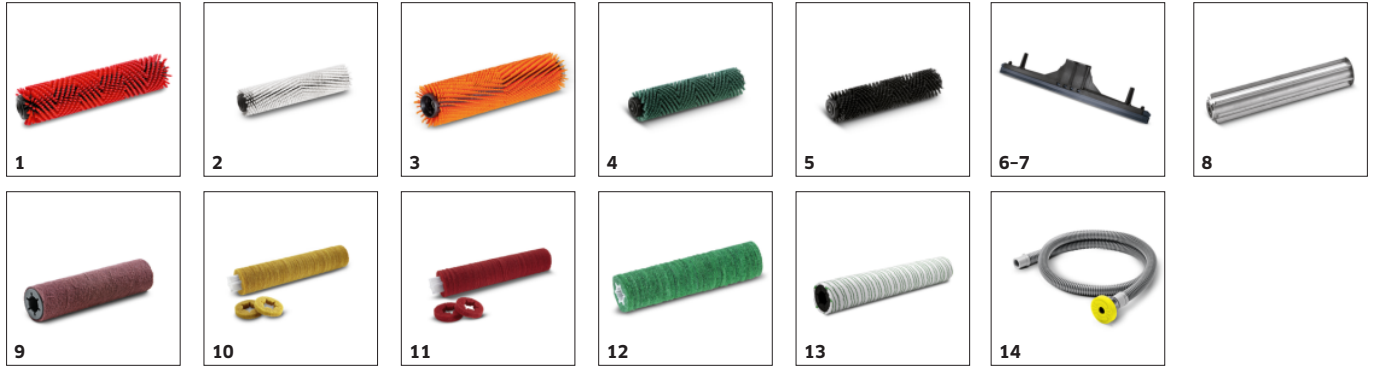

- Reaches under furniture effortlessly.
- The push handle can be folded down in both directions.
- For very low objects, the tank can also be removed.

Ease of servicing

- The suction lips and brushes are easy to replace without tools.
- Water distribution bar can simply be removed and cleaned as necessary.
- All electrical components are quickly and easily accessible.
